

25-Year DREXLUME™ Warranty
Acrylic Coated Galvalume®
(Starts from the date of material installation.)

Drexel Metals extends the following limited warranty to the Project Owner shown below:

Project Owner:
Project Name:
Address:
City, State and Zip:
Installer Name:
Material Installation Date:

that Drexel Metals' hot dipped AZ55 zinc-aluminum alloy coated steel with acrylic coating, known as DREXLUME™, coil and/or sheet, fabricated for use as steel roofing, siding panels, gutters and downspouts, used by fabricator within one year of shipment from a Drexel Metals location, if erected within the continental United States, Alaska, and Canada, WILL NOT as a result of corrosion from exposure to normal atmospheric conditions, rupture, fail structurally, or perforate within a period of 25 years from the material installation date listed above. This warranty applies to all categories of product with coating classes AZ55 ASTM A792-96 or heavier.

This warranty DOES NOT APPLY to flat sheets, coil, and/or fabricated products exposed at any time to corrosive or aggressive atmospheric conditions, including but not limited to:

- Areas subject to salt water marine atmospheres or to repeated spraying of either salt or fresh water.
- Areas subject to fallout or exposure to corrosive chemicals, fumes, ash, cement dust, or animal waste.
- Areas subject to water run-off from lead or copper flashings or areas in metallic contact with lead or copper.
- Areas sheltered from periodic washing by natural rainfall such as the underside of eaves and soffits.
- Conditions and circumstances where corrosive fumes or condensates are generated or released inside the building.

Guidelines for DREXLUME™ Warranty:

In order for our warranty to be effective in environments with a salt atmosphere or relative to bodies of salt water, the following criteria must be adhered to. DREXLUME™ installations within the below minimums are excluded and not covered under this warranty.

1. Installation in proximity to a coastline, with surf, the distance from the coast must be at a minimum of 2,800 feet.
2. Installation in proximity to a large Bay, the distance must be at a minimum of 1,200 feet.
3. Installation in proximity to Marshes and Canals, the distance must be at a minimum of 600 feet.

Exclusion of other Warranties:

This limited warranty is exclusive and is in lieu of any warranty of merchantability, fitness for a particular purpose, or other warranty of quality, whether expressed or implied, and whether written or oral. Corrections of non-conformities in the manner and for the period of time provided herein shall constitute fulfillment of all liabilities of Drexel Metals with respect to or arising out of the goods whether based on contract, negligence, strict liability in tort, or otherwise.

Other Conditions:

This limited warranty does not apply to the following conditions: areas subject to water run-off from lead or copper flashings or areas in metallic contact with lead or copper; areas sheltered from periodic washing by natural rainfall such as underside eaves and soffits; conditions and circumstances where corrosive fumes or condensates are generated or released inside the building; or forming where the bend is tighter than 2T for sheet thicknesses up to 0.030" (0.75mm) and tighter than 4T for sheet thicknesses 0.031" (0.76mm) and thicker; the slope of the roof or sections of the roof being flatter than 1/4; 12; forming which involves severe reverse bending or which subjects the coating to alternate compression and tension; failure to provide free drainage of water, including internal condensation, from overlaps and all other surfaces of the sheets or panels; failure to remove debris from overlaps and all other surfaces of sheets and panels; damage to the coating caused by contact with green or wet lumber; wet storage stain caused by water damage or from condensation; presence of damp insulation or other corrosive materials in contact with or close proximity to sheets or panels; deterioration of sheets or panels caused directly or indirectly by contact with fasteners (The selection of suitable long-lasting fasteners to be used rests solely with the Buyer). Drexel Metals recommends that there be a annual, systematic, freshwater rinse maintenance program in effect in the areas of salt concentration (such as adjacent to the seashore and/or industrial atmospheres) so as to prevent the accumulation of concentrated mineral deposits.

This warranty shall be subject to the stipulations, limitations and conditions hereinafter set forth:

1. Drexel Metals' liability for breach of this warranty, to the original Project Owner, shall be limited exclusively to the cost of repairing non-conforming sheets, panels, gutters and downspouts, at Drexel Metals' sole option of furnishing FOB fabricator's plant, sufficient sheet product to enable fabricator to product replacements for the nonconforming panels, gutters and downspouts.
2. Drexel Metals Inc. shall not in any event be liable for the cost of labor expended by others on any non-conforming sheets or panels or for any special, indirect or consequential damages to anyone by reason of the fact that such sheets or panels shall have been non-conforming.
3. Claims must be promptly reported, by Project Owner, within 30 days of discovering nonconforming material, in writing to Drexel Metals at the below address. Drexel Metals shall be given a reasonable opportunity to inspect the sheets, panels, gutter and downspouts claimed to be nonconforming. Adequate identification of the material involved in the claim, including the date of installation, order number, coil number, invoice number and date of shipment must be established by the Project Owner.
4. Project Owner, Installer, and/or fabricator of materials shall exercise diligence in the inspection of material as received from Drexel Metals so as to mitigate repair or replacement.
5. Drexel Metals Inc. extends this warranty solely to the owner. This warranty is non-transferable and non-assignable.
6. Drexel Metals Inc. reserves the right to terminate this warranty at any time (except as to orders already accepted) upon giving of written notice thereof.
7. This Warranty becomes effective only upon presentation of paid invoices from contractor/owner to manufacturer/installer and to Drexel Metals. In no event will future claims be honored if the above payments have not been made.
